## • *Location Ballarat*

Centacare is the social welfare arm of the Catholic Diocese of Ballarat. It provides extensive services across the broader community from a range of sites throughout Western Victoria, with 200 employees and revenue around \$16 million.

Working closely with a skills-based Board, your responsibilities encompass Centacare Housing Services, with a brief to ensure ongoing sustainability through the stewardship and expansion of the organisation's diverse range of person-centred programs.

You are a well – credentialed, seasoned leader in the human services sector, whose success is built on heart and vision. Your personal presence and stature are the key to your capacity to engage with the community and garner the support your constituents rely on.
