Annual collection for the Pope. Through this collection today, we have the opportunity to support the Pope's Pastoral Care for people around the world.

Looking Forward in 2015: The Looking Forward process is continuing in 2015. The new Looking Forward gatherings will be workshop-style and members of Parish Pastoral Councils and Leadership teams are particularly invited.

A session will be held at Colac on July 19th beginning with Mass celebrated by Bishop Bird 11am followed by welcome, lunch and workshops.

Another session will be held in East Warrnambool Parish on August 9th.

Thanks: The parish has been successful in getting a diocesan grant to purchase a laptop and a projector to show hymns and parts of the Mass. Many thanks to Pat Nicholson for successfully applying for this grant.

Project Compassion: \$935.55 was collected this year. Thank you all for your contributions to this very worthwhile project .

Care for our Common Home : In Laudato si', Pope Francis calls on all Catholic institutions to care for our common home, with a particular focus on environmental education. He says:

All Christian communities have an important role to play in ecological education. It is my hope that our seminaries and houses of formation will provide an education in responsible simplicity of life, in grateful contemplation of God's world, and in concern for the needs of the poor and the protection of the environment. Because the stakes are so high, we need institutions empowered to impose penalties for damage inflicted on the environment. But we also need the personal qualities of self-control and willingness to learn from one another. (214)
