CHILD PROTECTION SUNDAY

11 September 2016 The focus this year is: **'Stronger Communities, Safer Children'**

So how do we, the Catholic Church, play our part in creating stronger communities where we work together to ensure our children are kept safe? The images of child sexual abuse have continued to affect our entire community and diminish the trust some have placed in our Church. That trust has been further eroded when the institution has failed to appropriately respond to the victim's needs. Yet the Catholic Church is in unique position to offer much within this focus of creating stronger communities, safer Children. One such example can be seen in Pope Francis' apostolic exhortation *Amoris Laetitia*, in which families and consequently communities are encouraged through love, strengthened by the virtues of generosity, commitment, fidelity and patience to become stronger more capable and more resilient. Stronger families and Church communities can then help to keep our children safe

Fr Peter Murnane wants to live simply and quietly spending his time in reflection, reading, writing and prayer.
