The Words & Wisdom of Pope Francis

Pope Francis wants the Church to be a place of openness, welcome and hospitality. He calls all people of God to experience the joy of the Gospel in the service of our sisters and brothers, wherever they find themselves in the world. Pope Francis wants us to encounter Jesus Christ in our relationships with others – an authentic encounter that leads us to those who are forgotten, hurting, unloved and sitting on the margins. Take on the challenge, embrace the Gospel, and embark on the journey God calls each of us to follow.

Care for our Common Home : In Laudato si', Pope Francis calls on all Catholic institutions to care for our common home, with a particular focus on environmental education. He says:

All Christian communities have an important role to play in ecological education. It is my hope that our seminaries and houses of formation will provide an education in responsible simplicity of life, in grateful contemplation of God's world, and in concern for the needs of the poor and the protection of the environment. Because the stakes are so high, we need institutions empowered to impose penalties for damage inflicted on the environment. But we also need the personal qualities of self-control and willingness to learn from one another. (214)
