Laudato Si': On the Care of Our Common Home

Pope Francis' Encyclical *Laudato Si': On the Care for Our Common Home* is a call for global action as well as an appeal for deep inner conversion. He points to numerous ways world organisations, nations and communities must move forward and the way individuals -- believers and people of good will -- should see, think, feel and act.

Protect biodiversity, especially wild forests, wetlands, coastal areas, mangrove swamps.

CARING FOR THOSE WHO CARED FOR US – THE CHURCH COMMUNITY'S RESPONSIBILITY

CHILD PROTECTION SUNDAY- 13TH SEPTEMBER

In the context of Child Protection Sunday we are provided with an opportunity to reflect on the worlds of Pope Francis who in a letter wrote on 2 February 2015 to the Presidents of the Episcopal Conferences and Superiors of Religious Institutes he stated that "Families need to know that the Church is making every effort to protect their children. They should also know that they have every right to turn to the Church with full confidence, for it is a safe and secure home."

What part do we play in this 'shared responsibility' of working to ensure the Church is a safe and secure community? In the Australian context through Child Protection Week and in particular this Sunday we are asked to be someone who listens to children, someone who will start a conversation with children and if needed, be that someone whom children will turn to when in need.
