### Sixth Sunday of Lent.

Nguyet is a teenager living with a disability in a small town in Vietnam. Living with a disability was challenging, her early years were subdued and solitary. Since featuring in Project Compassion 2017 Nguyet has successfully built her own business, a dream that has become a reality with the support of Caritas Australia. Connected to the world in new ways, Nguyet has become independent, an important member of her community and has great hope for her future.

**Please donate to Project Compassion 2019 and give children living with disabilities in Vietnam the opportunity for an education and inclusion in their community.**
