LAUDATO SI': ON THE CARE OF OUR COMMON HOME

Pope Francis' Encyclical *Laudato Si': On the Care for Our Common Home* is a call for global action as well as an appeal for deep inner conversion.

He points to numerous ways world organisations, nations and communities must move forward and the way individuals -- believers and people of good will -- should see, think, feel and act.

Each week, we offer one of the Pope's suggestions, with the paragraph numbers to indicate their place in the Encyclical.

"Protect clean, safe drinking water and don't privatise it with market-based fees for the poor." *Paras 27-29, 164*
