## Online diocesan training course "Safeguarding Children and Vulnerable Adults"

If you have a particular role in the parish, you may be contacted about providing your email address for the purpose of completing an online training course to be distributed by the Diocesan Professional Standards office. The training relates to two diocesan documents: "Safeguarding Children and Vulnerable Adults" and "Code of Conduct for Caring for Children". The training aims to ensure that all those who work with children and persons in positions of responsibility in our parishes have read and understand the documents.
