Word of God Sunday, February 5th 2023:

The Church in Australia celebrates the Sunday of the Word of God on the first Sunday in February – February 5 in 2023 (Fifth Sunday in Ordinary Time, Year A). Pope Francis established the day, which is devoted to "the celebration, study and dissemination" of the Word of God.

The Church has always venerated the divine Scriptures just as she venerates the body of the Lord, since, especially in the sacred liturgy, she unceasingly receives and offers to the faithful the bread of life from the table both of God's word and of Christ's body. (Dei Verbum, 21)

An important point to remember here is the Second Vatican Council's insight that Christ's presence is recognised in the actual "proclamation" of the Word, when the Church believes that Christ is present and speaking to those assembled through the words of the Church's minister [Sacrosanctum concilium (1963) art. 7], rather than in the physical book itself. For the Word of God Sunday 2023, Pope Francis writes:

'I would like to conclude by simply thanking those who work to make sure that the Word of God is shared, proclaimed and put at the centre of our lives. Thank you to those who study and delve into the riches of the Word. Thank you to the pastoral workers and to all Christians engaged in the work of listening to and spreading the Word, especially lectors and catechists.'

To acknowledge the importance of the Word of God proclaimed at our Masses, and as a way of recognising those who proclaim that Word for us, we will commission all of those who undertake this ministry at our Masses next weekend, February 4th – 5th. This will take place after the homily before the Creed.
