If you have a particular role in the parish, you may be contacted about providing your email address for the purpose of completing an online training course to be distributed by the Diocesan Professional Standards office. The training relates to two diocesan documents: "Safeguarding Children and Vulnerable Adults" and "Code of Conduct for Caring for Children". ## THE BIBLICAL THEME OF MERCY & POPE FRANCIS

**Saturday 12<sup>th</sup> September (please note change of date)**

**10:00am – 12:30pm**  
**Monaghan Centre**

Sr. Veronica Lawson, whose commentaries accompany our Sunday Buletting each weekend, will be presenting a Workshop which explores the Biblical Theme of Mercy in dialogue with Pope Francis' recent encyclical *Laudato Si*. Care for the earth and the call to be co-creators with God is a key theme throughout the sacred scriptures, and accordingly, Sr. Veronica will lead us in a reflection of how we as a Church should be responding to important environmental questions posed by the current climate debate in conjunction with Pope Francis' encyclical. I highly recommend this opportunity to gain a deeper understanding of the Pope's intent in writing this encyclical.

For lunch time catering purposes, please advise the Parish Office if you wish to attend. *Fr Michael*

## LAUDATO SI': ON THE CARE OF OUR COMMON HOME

Pope Francis' Encyclical *Laudato Si'*: *On the Care for Our Common Home* is a call for global action as well as an appeal for deep inner conversion.

He points to numerous ways world organisations, nations and communities must move forward and the way individuals -- believers and people of good will -- should see, think, feel and act.

Each week, we offer one of the Pope's suggestions, with the paragraph numbers to indicate its place in the Encyclical.

"Leave room for wandering and migrating species by creating 'biological corridors'; don't let dams, highways, and construction lead to their extinction." (Par 35)
