**Making Connections:** How 'fruitful' has your life been? What 'fruit' have you borne? Do you need a second chance to bear good fruit? Have you ever had an experience of needing to nurture someone or something for a long period before they 'produce fruit'? Were there failures along the way? What was it that eventually brought about the growth? Attend carefully this week to cultivating your own relationship with God. Try to bring out the best in someone else as well.

**Did You Know?:** The pool of Siloam was a reservoir that lay within the city walls of ancient Jerusalem. During the reign of King Hezekiah, an extraordinary tunnel was dug through bedrock to connect it to the spring of Gihon outside the city walls so that the city would have an ample water supply in times of siege. We have no evidence outside the biblical text of the incident referred to here where Pilate 'mingled the blood of the Galileans with their sacrifice', but such an act is not out of character. Pilate had a reputation for being a brutal military leader. At the time in which Jesus lived, suffering was often considered to be a punishment from God for sin committed.

**Exploring the Word:** The parable of the owner of the vineyard tells of God's infinite patience in dealing with the sinfulness of humans. Despite our failings, God will graciously allow us time to produce our best fruit. The theme of this gospel—God's forgiveness and care—will be taken up in the gospels of the next two weeks. Lent is a special time of preparation, particularly for the elect. In what ways can you cultivate your own garden of faith in this special time?

**Sharing the Tradition:** Knowing how to explain the problem of suffering and evil in a world created by a good and loving God has always been a dilemma for people of faith. How can God allow terrible things to occur, especially to the innocent? *'the world we live in often seems very far from the one promised us by faith. Our experiences of evil and suffering, injustice, and death, seem to contradict the Good News; they can shake our faith and become a temptation against it'* (CCC§164). As Christians, we believe that the only answer to these profound questions lies in faith in the risen Christ, who overcame death and evil.

**Symbols and Images:** The vineyard was often used in Scripture as a symbol of Israel, God's people. God is depicted as the owner of the vineyard, who attends to it with great care—planting, cultivating, feeding and pruning the vines to make them fruitful and abundant. Israel will be judged on what fruit it bears or fails to bear. So too will we be judged on how fruitful our lives are.

**Daily Prayer:** O God, you loved us while we were yet sinners; in Christ you come in search of us. We thirst for your grace. Grant your people the gift of the Spirit, that we may learn to profess our faith with courage and conviction and announce with joy the wonders of your saving love.

**Marriage Tip:** Love is humble, and humility acknowledges that we are not perfect. Take the time to ask for forgiveness from your spouse if you have hurt him or her.

**Vocational View:** Each Lent should bring us closer to our God. There is no failure, except that of no longer trying. You can still follow Jesus more closely.

We must dig deeply in Christ. He is like a rich mine with many pockets containing treasures: however deep we dig we will never find their end or their limit. Indeed, in every pocket new seams of fresh riches are discovered on all sides.

**UN Day of Elimination of Racial Discrimination**

Racist extremist movements based on ideologies that seek to promote populist, nationalist agendas are spreading in various parts of the world, fuelling racism, racial discrimination, xenophobia and related intolerance, often targeting migrants and refugees as well as people of African descent. In its recent resolution of eliminating racism, the United Nations General Assembly reiterated that all human beings are born free and equal in dignity and rights and have the potential to contribute constructively to the development and wellbeing of their societies. The resolution also emphasized that any doctrine of racial superiority is scientifically false, morally condemnable, socially unjust and dangerous and must be rejected, together with theories that attempt to determine the existence of separate human races.

**Project Compassion**

Peter is thrilled to now have clean water on tap at his boarding school. Long walks to unsafe water sources were tiring for Peter, who is living with a disability. With more free time and fewer illnesses caused by dirty water, Peter can fulfil his hope of focusing on his studies, providing him with a brighter future.

**Please donate to Project Compassion 2019 and help young people with disabilities gain access to clean water in the Solomon Islands, providing hope for a brighter future.**

**Plenary Council Prayer**

Come, Holy Spirit of Pentecost.  
Come, Holy Spirit of the great South Land.  
O God, bless and unite all your people in Australia and guide us on the pilgrim way of the Plenary Council.  
Give us the grace to see your face in one another and to recognise Jesus, our companion on the road.  
Give us the courage to tell our stories and to speak boldly of your truth.  
Give us ears to listen humbly to each other and a discerning heart to hear what you are saying.  
Lead your Church into a hope-filled future, that we may live the joy of the Gospel.  
Through Jesus Christ our Lord, bread for the journey from age to age.  
Amen.

**British Dominican Father Timothy Radcliffe**

**speaks to us.** The Catholic Church should not be afraid of crisis; through crisis, it will grow and spring new life, said Father Radcliffe. "If you look at human beings, we grow up through crisis," said the 73-year-old English theologian. "It is our way. And so we believe, I believe, it's the fate of the church...we do not have to be afraid of crisis." Father Radcliffe pointed toward the 'biggest crisis', the Last Supper. The apostles "had abandoned Jesus. Judas had sold him. Peter was about to betray him. There was no future. And then in that darkest moment, Jesus did this extraordinary thing. He said, 'This is my body, and I give it to you'. We should ask what new thing will come to be," Father Radcliffe said.
