## **SOCIAL JUSTICE STATEMENT 2020-2021**

The COVID-19 pandemic is affecting the mental health of many members of our parishes, schools and communities. Understanding mental health will help us to be aware of those who need our support. In the Social Justice Statement 2020-2021, *To Live Life to the Full: Mental health in Australia today*, the Bishops invite us all to reject stigmatisation, to work for the transformation of social determinants of mental ill-health, and to call for policies and service provision that meet the needs of the poorest and most marginalised members of our community. More information at the diocesan website

## **SUPPORT FOR SCHOLARSHIP**

The Pontifical University of the Holy Cross Foundation grants two scholarships each year – to seminarians and priests from emerging dioceses of Africa and Asia to study in Rome. At present, the Bishops of the dioceses of Trivandrum (India) and of Homa Bay (Kenya) would like to send two priests to study Theology at the Pontifical University of the Holy Cross, but they lack the resources, which amount to \$A38,000. Please consider contributing to this cause. You can send donations to: Foundation in

the Commonwealth Bank, BSB: 062 173 Acct: 2800 8038 or to PO Box 176 GORDON NSW 2072 or through our website [www.pontifoundation.org.au](http://www.pontifoundation.org.au)

### **PLENARY COUNCIL UPDATE**

*The journey to the Plenary Council 2020 continues. While it's in a context more different than we could have ever expected, the need to pray, discern and listen to the Holy Spirit and each other is more important than ever.*

**Discernment Papers:** The six discernment papers have been released and are available to be read. Here in the diocese, we will look at one paper for a month.

For the month of September we will look at **HOW IS GOD CALLING US TO BE A CHRIST-CENTRED CHURCH IN AUSTRALIA THAT IS Prayerful and Eucharistic?**

The listening and dialogue responses revealed the deep faith, integrity and sincerity of all the people who gave of themselves in their offerings. The responses included divergent opinions in various topics. At the same time, they showed a common faith in Christ and a common desire to follow his teaching in love of God and love of neighbour. They demonstrated a commitment to living the gospel of Christ and sharing the gospel with others, even in the midst of a largely secular culture. They expressed a love for the community of the Church, despite the well-documented failings of members of the community. They showed a desire to be a christ-centered church that is prayerful and Eucharistic.

Have a read of the discernment paper, think about your parish and the diocese in general.

We welcome any comments. Please send through to [jane.collins@ballarat.catholic.org.au](mailto:jane.collins@ballarat.catholic.org.au).

### **SHARING THE TRADITION**

*A closer look at the Scripture of the day, to see how it makes more explicit God's word to us through the teachings of Jesus Christ*

The Church has had an 'up-and-down' history in the way it has dealt with conflict, and in how it has balanced the exercise of its legitimate authority with the call to announce God's forgiveness to the world. There have been low points, like the Inquisition of the Middle Ages, and high points, like the papal apologies of the Jubilee Year.

In recent years, the scandal of sexual abuse by members of the clergy and religious has caused the Church to re-examine appropriate processes for dealing with such wrongdoing by its members. Various statements from Pope Francis have highlighted this.

Why isn't it acceptable to turn a 'blind eye' to wrongdoing within the Church? In what ways do you think this may have undermined the credibility of the Church in the modern world? What role have the media played in this?

You could discuss the modern process employed by the Church in dealing with sexual abuse or other controversial issues like the Stolen Generation of Aboriginal Australians. Balance this by highlighting some of the truly great works done by priests at a local level—for example, Fr Ernie Smith's establishment of Sacred Heart Mission in St Kilda, or Fr Chris Riley's foundation Youth Off the Streets.

There may be local initiatives in your own community that could be highlighted as examples of the positive action of the Church in the world.

One of the greatest prayers about being a peace maker is the prayer often associated with St Francis of Assisi:

*Lord, make me an instrument of your peace. Where there is hatred, let me sow love; where there is injury, pardon; where there is doubt, faith; where there is despair, hope; where there is darkness, light; where there is sadness, joy. O divine master, grant that I may not so much seek to be consoled as to console to be understood as to understand, to be loved as to love. For it is in giving that we receive; it is in pardoning that we are pardoned, and in dying that we are born to eternal life. My soul is thirsting for you, O Lord my God*
