Second Sunday of Lent

Biru 30, lives in a rural village in Jharkand State in India's east. He lost mobility in one of his legs, after contracting polio as a child, which makes it difficult for him to walk. With your generous support, Biru was able to access an entrepreneurship and livelihoods development program, run by Caritas Australia's partner, Caritas India. He gained the skills, support and encouragement he needed to establish his own bicycle repair business. Now, Biru is able to provide a good life for his family – and an essential service to his community. He has discovered a sense of pride, confidence and hope which has inspired others living with a disability and paved the way **For All Future Generations**.

Please donate to Project Compassion 2022 and help people living with disabilities in India gain access to education and clean water, empowering them with skills to build a better future for all.

Together, we can help vulnerable communities face their challenges today and build a better tomorrow **For All Future Generations**. You can donate through Project Compassion donation boxes and envelopes available from your Parish, by visiting lent.caritas.org.au, or by calling 1800 024 413.

Notices need to be at St. Thomas' Parish Office by 10.00 am next Friday
