### Prayer for floods

Compassionate God, we remember today all those whose homes and communities have been damaged by flooding in Australia, especially in Victoria. We give thanks for the courage and dedication of the emergency services who have come to the help and rescue of all in need.

We ask you to look with care and love on all the flooded communities. We pray for those who have been evacuated from their homes and we celebrate the kindness of neighbours in caring for the most vulnerable and those in need. We pray for the people whose lives have been devastated by rain and flood. Bring them comfort. Protect the vulnerable. Strengthen the weak. Keep at bay the spread of disease. Amen.
