In Mongolia, vulnerable people requiring social services often face stigma for using them. Those in need are often impacted by domestic violence or homelessness.

Unfortunately, support services are limited in number and the demand for them is growing.

This means some of our brothers and sisters in Mongolia are going without the help they need. This month, we invite you to support the Church in Mongolia on their journey to provide more support for vulnerable people in need. Your kindness will ensure that

more of our brothers and sisters can receive the assistance they need to get back on their feet. Freecall: 1800 257 296
