## **HISTORICAL CONTEXT**

### **Table fellowship**

*In 1st Century Palestine, who you shared a meal with was a very political act. Your status in society was judged by who you kept company with and particularly with whom you shared food. At times, Jesus broke these rules and practiced open table fellowship - sharing meals with people of all stations in life and often being criticised for his actions by the Scribes and Pharisees. Part of Jesus' open table fellowship meant that he also ate with dignitaries and religious leaders, but he used these occasions to remind them of the inclusive message of God that they were ignoring.*

**Mass Count:** As you are aware the annual Mass count was taken up over the past four Sundays. The total attendance in Port Fairy was 524 and in Koroit 746. It needs to be noted that Confirmation was held in both parishes, there were also baptisms in both parishes and the Irish Festival Mass in Koroit.

### **Planned Giving Envelopes:**

There has been an enquiry re planned giving envelopes handed in to other churches. All Port Fairy envelopes placed in collection plates in Koroit or Warrnambool are returned to Port Fairy for counting - the same with Koroit envelopes.

Be assured that your envelopes are returned to the appropriate parishes.

### **REFLECTION**

#### **by Fr Michael Tate**

The feeding of the five thousand in today's Gospel is one of those anticipatory sharings in the heavenly banquet of the age to come.

We say this feeding is miraculous, and it was. A major part of the miracle is in the transformation of the Twelve. Our Lord did not personally feed the five thousand. He required his followers to get involved in alleviating hunger:

'You give them something to eat,' rather than leaving the crowd to fend for themselves, or resort to market economics. When they shared the food he had blessed, the miracle of the hospitality of God was multiplied throughout the crowd - extravagantly. And so Our Lord gave his followers and the crowd a real taste of the future generosity of God in the heavenly banquet. But, it would not have happened had the inner groups of disciples not shared Jesus' vision and got involved in what seemed to be an impossible task.

The Last Supper was the greatest anticipatory meal which Our Lord shared with his disciples. And, at Mass, we are eating and drinking the *glorified* humanity of our *Risen* Lord Jesus Christ: the life of the future.

We could pause for a moment to identify the myriad of hungers in this world and resolve to fulfil Our Lord's Command: 'You give them something to eat!' so that Divine Generosity might transform human history
