Sunday 9th January 2022– The Baptism of the Lord

Happy New Year to you all and prayer that 2022 will fill your life with happiness, good health and prosperity.

HISTORICAL CONTEXT

Baptism

John makes clear to the people that the baptism he performs is with water but the baptism by Jesus is with the Holy Spirit. John preached a baptism of repentance. In keeping with his Jewish tradition, John called upon the people to make a public declaration of their wrong-doing and commitment to be washed clean of this sinfulness and desire to live in right relationship with God and others. The baptism to which he refers is the complete change of heart and mind that comes through the Holy Spirit and results from a person accepting the message of Jesus.

We welcome into our Parish Community of St Augustine's for the sacrament of Baptism today

Pastor Joke : *Johnny's Mother looked out the window and noticed him "playing Church" with their cat. He had the cat sitting quietly and he was preaching to it. She smiled and went about her work. A while later she heard loud meowing and hissing and ran back to the open window to see Johnny baptizing the cat in a tub of water. She called out, "Johnny, stop that! The cat is afraid of water!" Johnny looked up at her and said, "He should have thought about that before he joined my church.*
