### Social Justice Sunday

This year's Social Justice Statement by Australia's Bishops is titled "Making it real: Genuine human encounter in our digital world." It affirms the positive possibilities for encounter and solidarity offered by new digital media, while warning of those

elements of our digital world that may be harmful, including information overload, social isolation, marginalisation of the vulnerable, consumerism and fake news. The Statement shares Pope Francis' call to us to 'boldly become citizens of the digital world', with the image of the Good Samaritan as our inspiration. We are called not only to love our neighbour, but to bring the love of God to the new global neighbourhood. The bishops point out that we are called not just to be inhabitants of this new digital world, but active citizens shaping it. All of us – whether we are users, communities, industrial or political leaders – have a role to play in rejecting hatred, divisions and falsehoods. We have a duty to foster a neighbourhood that promotes those human attributes and social values that lend themselves to genuine human encounter – love, understanding, beauty, goodness, truth and trustworthiness, joy and hope. ### **Plenary Council 2020:**

#### National Theme for Discernment – September

This month, we are invited to reflect on Scripture, Church teaching and our contemporary situation in order to discern the answer to this question: "How is God calling us to be a Christ-centred Church that is missionary and evangelising?" The fruits of what is discerned during this time will help shape the agenda of the first session of the Plenary Council in October 2020.

Jillian Hogbin and Felicity Knobel are facilitating Discernment gatherings in the Cathedral parish for each of the six themes of the Plenary Council, Sunday afternoons, 2.30pm– 4.30pm. The discernment process is a prayerful one, commencing with Scripture, silence, spiritual conversations and proposed actions.

**Sunday October 27** - How to be a Christ-centred Church that is Missionary & Evangelising

**Sunday November 17** - How to be a Christ-centred Church that is humble, healing and merciful

**Sunday December 1** - How to be a Christ-centred Church that is inclusive, missionary & synodal

#### Plenary Council: Listening & Dialogue Stage Final Report
