Kathleen's Corner

In the last weeks we have seen devastating droughts in Africa, floods in Bangladesh, Nepal and India; an earthquake in Mexico; and horrifying hurricanes and flooding in Cuba, the Caribbean and southern United States. It feels so overwhelming! Yet the glory of God is everywhere and as Pope Francis reminds us: "We need to strengthen the conviction that we are one single family. There are no

frontiers or barriers, political or social, behind which to hide..." ISMAPNG

Ballarat Clergy Support Fund

Collection for Sick and Retired Priests

The Ballarat Clergy Support Fund provides for retired priests who have spent a lifetime selflessly caring for others, and who deserve a happy and peaceful retirement. The Fund is currently supporting and caring for eighteen retired priests. Over the next few years a number of priests currently in parish ministry will be moving into retirement, and will also need to be supported by the fund.

This collection has raised nearly 1.8 million dollars since it began in 1991, including nearly \$60,000 last year. Along with the priests' own contribution of approximately \$37,000 per year, this annual collection has allowed the Fund to continue to support our sick and retired clergy. Envelopes are available today for this collection. Contributions over \$2 tax-deductible.

Promote Care, Oppose Euthanasia

The Victorian Government is seeking to introduce euthanasia and assisted suicide later this year. The proposed changes will impact everyone, not just those terminally ill. The Catholic Church believes that any proposal to introduce legislation enabling physician-assisted suicide and euthanasia is not in the best interests of the community and will have wide-reaching ramifications. For information about this important development, its impact on our society, and action you can take, visit www.cam.org.au/euthanasia ☎ 02 9560 5333. Info: www.palms.org.au/encounters/

Australian Bishops' Social Justice Statement

Pope Francis has called for an economic system that places men and women at the very centre – one that meets the needs of all people and is just and sustainable. He denounces economic structures that take a purely utilitarian view of human beings, treating them as mere elements of production, to be thrown away if they are not seen as useful or productive. The Australian Catholic Bishops' Social Justice Statement for 2017–18 is titled *Everyone's Business: Developing an inclusive and sustainable economy*. The Bishops call for an economy that is founded on justice and offers dignity and inclusion to every person.

The Bishops' Statement is built around today's Gospel: Jesus tells the parable of the workers in the vineyard, where all are active contributors and are recognised for their human dignity. Australia has experienced a quarter of a century of continuous economic growth, but the benefits of this good fortune have not been distributed equally. In our workplaces, conditions and security of employment have been eroded, while those who are unemployed subsist on incomes well below poverty levels. Australia is experiencing a housing crisis. And our Indigenous brothers and sisters struggle with economic and social burdens that most Australians cannot imagine.

In the light of these challenges, the Statement calls us to build an economy founded on true solidarity with those who are most vulnerable. Such a society will reject an 'ideology of the market' that forgets the principles of justice and equity. Justice must be built into the very foundations of our community, and business can work for everybody's benefit, not just for shareholders. The excluded and vulnerable must have a voice in decision-making. God is calling us to use his bounty wisely, for the good of all and of our planet.
