16th July, 2017. 15th Sunday of Ordinary Time (A)

The readings for this Sunday call us to self-examination. The gospel describes various levels of receptivity, the willingness to allow ourselves to receive from another, to be influenced by another, perhaps even to be transformed. The more independent we are, the less likely we will be open to others and, consequently, less receptive to their ideas. By definition disciples are receptive to the one they follow. To be a disciple of Jesus requires receptivity, so it is important that we scrutinise ourselves to discover the extent to which we are open. To what should we be receptive? To the words of Scripture, the words of the liturgy, the words of the sacraments, the living tradition of the community. God's word is sown in many forms and under many guises. It makes little difference who sows the seed. How will we receive it?

Besides the word of God, the readings speak of the world of God. The people of biblical times were aware of the revelation of God in and through the natural world. Isaiah teaches about the effectiveness of the word of God through the metaphor of rain. The psalmist uses the natural world to describe God's work of salvation. Paul claims that eschatological fulfilment will include all of creation. Finally, Jesus' parables are rooted in stories about nature. We cannot afford to close our eyes to the needs of the natural world, or stop our ears to the cries of the earth, or harden our hearts to the world of which we are a part, for the word of God will accomplish the end for which God sent it.

BALLARAT NEWS

Euthanasia and Assisted Suicide Proposals In April this year, the bishops of Victoria published a pastoral letter in response to proposals to introduce legislation allowing euthanasia and assisted suicide. As a follow-up to that letter, a group of lay people has prepared a flyer encouraging people to write to parliamentarians and express their opposition to such legislation. Copies of the flyer have been made available for your consideration. You are invited to write to parliamentarians as suggested.

CATHOLIC DIOCESE OF BALLARAT FOUNDATION In June the foundation held its 31st Annual General Meeting, so it is timely to remind parishioners of the purpose of the Foundation and to update the diocese on the activities of the Foundation during 2016.

The Foundation was established in 1986 to raise funds to assist the Bishop fund the pastoral needs of the Diocese of Ballarat. Over the last twenty years in particular there has been a shift in the demographics of our diocese with declining population in many rural areas, population growth in regional towns, and a continuing decrease in mass attendance. Our diocese comprises 51 Parishes with 109 church communities within those Parishes. We are faced therefore with an increasing challenge to provide services to people within our Diocese. The Foundation is in its 32nd year of assisting the Bishop in providing these services.

The objectives of the Foundation are:

to financially assist the Diocese in its mission to grow Christ's kingdom here on earth; to financially assist the charitable works of the Diocese; and to provide for relief, support and comfort of those suffering from disadvantage within the Diocese, inter alia from unemployment, low income, age, physical or mental disability, language difficulties or social or economic isolation.
