Thank you - St Vincent de Paul society Sebastopol conference wishes to thank the St. James and St Aloysius community for the wonderful generous support during our winter appeal. We received \$3,409 in donations. Basket loads of groceries and toiletries and over 100 tins of soup from the St. Aloysius school community. Thank you so much it makes our job helping those in need so much easier. God bless you all.

The Parishes of St. Aloysius, St. James' & St. Peter's are committed to the care, wellbeing and protection of children, young people and people at risk in our community. We uphold that child protection and the dignity of every person is the responsibility of every adult.

Shared Table - For many years a number of Parishioners have been supporting this worthwhile project, began by Fr. Michael McKinnon in South America. From small beginnings we have been supporting children's kitchens, community gardens, bakery and feeding about 500 children a day. Our contribution of \$1 a week (\$52 a year) has enabled these efforts to continue. Like many other projects we have not appealed during Covid. Fr. Michael has returned to a new Parish in South America and is starting again. If you would like or are able to contribute to this effort please contact Sr. Marie Vagg on 0448 316 494.

St. James Family Groups started in our parish 29 years ago under the umbrella of the Passionist Family Group Movement. The focus is on developing community with friendship and support for each other as an expression of our Christian faith. Groups usually meet monthly and organize a variety of activities depending on the age and interest of members. We have three active groups with 40 families involved. Everyone is welcome, married, single or divorced, young, old or in between. If you are interested or would just like more information, ask any regulars at Mass- we are well known! Or ring Anne Porter on 0408170885

Ballarat Diocesan Information, News and Events

Mental Health Week: October 8 – 15, 2022 - The theme for Mental Health Week this year is, "Where we live. How we live. What we've lived." Understanding how the body, mind and environment intersect is essential to overall wellbeing. Physical health – both inside of us and in the world around us – has a major impact on mental health. The nutrition we consume, movement of our bodies, the health of the planet and quality of our housing and neighbourhoods all play a part in building health communities and individuals

Prayer for Mental Health Week: *Lord God, giver of life and health: Comfort and relieve those challenged by serious and chronic mental and emotional illnesses. Give your power of healing to those who minister to their needs, that they may be strengthened in their weakness and have confidence in your loving care; through Jesus Christ our Lord.*

Praying with Pope Francis - The Pope's Worldwide Prayer Network (Apostleship of Prayer) is an international movement that is more than 170 years old. Each month, the Pope puts forward a prayer intention and asks Catholics around the world to join him in prayer. These intentions cover all sorts of areas of life, encouraging faith, renewing hope and calling us to loving service. Praying each month 'The Pope Video' forms part of the Pope's Worldwide Prayer Network – view at www.thepopevideo.org. Pope's intention for September: For the abolition of the death penalty: We pray that the death penalty, which attacks the dignity of the human person, may be legally abolished in every country.

Pope Francis' Prayer for Peace in Ukraine - *I ask you to pray the Our Father for peace in Ukraine, now and throughout this Day. Let us ask the Lord to grant that the country may grow in the spirit of brotherhood, and that all hurts, fears and divisions will be overcome. We have spoken about the Holocaust. But let us think too that [in Ukraine] millions of people were killed [1932-1933]. They are a people who have suffered; they have suffered from hunger, suffered from much brutality and they deserve peace. May the prayers and supplications that today rise up to heaven touch the minds and hearts of world leaders, so that dialogue may prevail and the common good be placed ahead of partisan interests. Please, no more war.*
