A DAY OF PRAYER FOR PEACE IN SYRIA

God of Compassion,
Hear the cries of the people of Syria
Comfort those who suffer violence
Console those who mourn the dead
Give strength to Syria's neighbouring countries
to welcome the refugees
Convert the hearts of those who have taken up arms
And protect those who are committed to peace.

God of hope,
Inspire leaders to choose peace over violence
and to seek reconciliation with their enemies
Inflame the Universal Church with
compassion for the people of Syria
And give us hope for a future built on justice for all.

We ask this through Jesus Christ,
the Prince of Peace and Light of the world.
Amen.

Child Protection Week *'Be Someone Who Listens to Children'*

Francis Sullivan CEO of the Catholic Church Truth Justice and Healing Council said the 2015 campaign highlights the importance of primary prevention to reduce child abuse and neglect in Australia. "This year's theme, 'Be Someone Who Listens to Children', sends an important message that the safety and wellbeing of Australian children should be at the very forefront of our approaches to protecting children and that listening to children is central.

The Royal Commission has recently released a major research report looking at how children understand and experience safety in institutions. In the report, [Taking Us Seriously: Children and young people talk about safety and institutional responses to their safety concerns](#), children and young people have identified what institutions should do to help them feel safe and be safe.

"Hearing directly from children is key to understanding how best to prevent and respond to child abuse in its many different forms", Mr Sullivan said.

"Unless we are able to provide environments where the primary focus is on children, their participation is valued, they are safe and their carers are appropriately selected and trusted, then children will continue to be at risk," Mr Sullivan said.

National Child Protection Week is coordinated by NAPCAN (National Association for Prevention of Child Abuse and Neglect) and runs from 6-12 September 2015. NAPCAN was co-founded in 1987 by Rosemary Sinclair AO and Christine Stewart OAM and has made a major contribution to the safety and wellbeing of Australia's children and young people. Over more than two decades it has raised public awareness of child abuse and neglect and its impacts, and developed and promoted effective prevention strategies and programs.
