St Patrick's School Report

School Review—Three weeks ago we had the privilege of undertaking our school review. The panel consisted of Pam Burton (lead reviewer), Tony Perkins (educational consultant) and Joy Quarrell (colleague principal). Our staff, students and parents had worked hard over the preceding terms to review our progress over the last four years and determine what we believed were suitable goals for the upcoming four year period. As a school we were pleased with the review process and the endorsement of our priorities and I'd like to thank everyone who was involved in the process.

Senior Class Camp To Victor Harbour— Our senior class has spent three day's in Victor Harbour this week where we've visited the Whale Centre and the fairy penguins. On the way to Victor Harbour we stopped at Monarto Zoo to learn about the animals there. The focus of this trip was to learn about animals and plants and their life cycles. This trip fitted in very well with our Integrated Studies unit focus on Biological Science.

Reading Counts...1, 2, 3, Read with Me

Thanks you to Lisa Creek and our volunteer parents—Helen Cannell and Michelle Dickinson, who ably facilitate our pre-school reading program. It has been fabulous to see some children attend our weekly program and become more open and curious about books and literacy. Please encourage pre-school children that they are welcome to attend each Monday morning between 9 & 10am.

Month of November

November is the month, in which we remember and pray especially for our family member's who have died—our dear ones. If you would like your family members or friends to be remembered at Mass, you are invited to write their names on an envelope and hand them in with the normal collection. [There are envelopes at the back of the church].
