

Human Indigenous Flag

To recognise Reconciliation Week, St Patrick's Primary School Port Fairy formed a Human Indigenous Flag on the oval. Andrew Lehne took some footage with his drone. Thank you, Andrew! The children brought a gold coin donation to raise funds for the 'Opening the Doors Foundation'. Indigenous families attending St Patrick's Primary School have and do access this funding to assist with the resources to enable their children to receive a Catholic Education.

We celebrated a whole school liturgy, asking God to give us the courage to accept the realities of our history so that we may build a better future for our Nation and to teach us to embrace and respect all cultures.

The classes have been learning about the history of First Nations people and the impact white settlement has had on their culture and people.
